Director of Training
Central Intelligence Agency
Washington 25, D. C.

Dear Sir:

The U. S. The scheduled dates, hours and composition of the audience are shown on the inclosure to this letter.

Regarding notations on the composition of the class, it may be noted that the Strategic Intelligence Course students will attend those classes previously scheduled for the Attache students in October of this year. In addition, we would like to invite the wives of the attaches-designate to attend selected classes. These ladies will be officially cleared for access to SECRET security information and if you have no objections we would like to include them as indicated on the inclosure.
